CERTIFICATIONS

JAVA FULL STACK CERTIFICATE

Obtained a certificate from Naresh I Technologies for successfully completing the “Full STACK JAVA”.

SQL (BASIC)

Obtained a certificate from Hacker Rank for successfully completing the “SQL (BASIC)”.

Java (BASIC)

Obtained a certificate from Hacker Rank for successfully completing the “Java (BASIC)”.

PROJECTS

EMPLOYEE MANAGEMENT SYSTEM [🔗](#)

Technologies Used: Core Java, J2EE (JDBC, Servlets, JSP), HTML, CSS, Bootstrap, Oracle (SQL)

Description: Developed a web-based Employee Management System to perform CRUD operations (Create, Read, Update, Delete) on employee data. Integrated with Oracle database for persistent storage and retrieval. Used JSP for dynamic content rendering and form handling.

Portfolio Website [🔗](#)

Technologies used : HTML, CSS, Bootstrap, Git, GitHub

Description: Created a personal portfolio website to showcase projects, skills, and certifications. The website features a responsive design for seamless viewing across devices, highlighting technical expertise and professional achievements.
